Ellison Center Nears Completion

Ellison Center Development Director Lanci Valentine, Capital Campaign Chairman Barbara Clifford, and Leadership Gift contributor Robert Corriveau raise the indicator on the fundraising sign to \$2.25 million.

Construction for the new Ellison Center for Arts is nearing completion as plans get underway for a week of opening festivities and a celebration to recognize members of the community supporting the project. South Shore Conservatory and the Duxbury Art Assn are making plans for their move to the new facility, due to open next month.
